

A close-up photograph of a person's face, focusing on the cheek area. The skin shows significant hyperpigmentation, with numerous small, brownish spots and patches. The person's lips are visible on the right side of the frame, and they are wearing a dark-colored garment. The background is a plain, light color.

## HYPERPIGMENTATION (MELASMA)

"I have melasma, when I get in the sun it really sticks its ugly head out. My pores are larger as I've gotten older and dark circles under my eyes have gotten worse. And of course, wrinkles, I have the dreaded smile lines.

My skin is now doing good and the eye area is a lot better. You have been a godsend." – AF

Enzyme Crème Mask every other night

### NEOGENESIS PRODUCTS USED:

Cleanser, Booster, Eye Serum, Intensive Moisturizer, \*Enzyme Crème Mask

*\*Only available in the U.S.*

## HYPERPIGMENTATION (MELASMA)

“Here are some photos that I have taken with my client, that we are treating for hyperpigmentation.

She has had Microneedling treatment with NeoGenesis Recovery serum on May 12th and a chemical peel on May 26th. NeoGenesis Recovery was used during treatment and in her at-home care routine, as well!

The after photo was taken on June 23rd before we did her 2nd ProCell treatment with NeoGenesis Recovery.”

## PIH + MELASMA + SUN DAMAGE

“We are seeing a tremendous improvement with this client that has melasma, sun damage and post-inflammatory hyperpigmentation (PIH).

The texture of her skin, hydration, and firmness has all improved. The sun damage is lessened and over-all her skin is brighter.”

– Edie Carpenter, OC Skin in the Buff

### NEOGENESIS PRODUCTS USED:

Cleanser, Skin Serum, Barrier Renewal Cream

## HYPERPIGMENTATION (MEDICATION)

"This client has had multiple health issues and was diagnosed with Lyme disease. She started having skin issues from the medications she was taking. Her skin began to age quickly, and was very congested and red. It had a rough texture and she was getting frequent breakouts. She also started to develop hyperpigmentation. She attempted to exfoliate away the damage to create a smooth, glowing surface, but over-exfoliation led to an impaired barrier and unhealthy skin.

She started to notice an improvement in her skin within 2 weeks of starting on the NeoGenesis products - less congestion, redness and fewer breakouts. Over time her skin has improved significantly. The barrier is healed, she has far less congestion or breakouts occurring and any redness is minimal. She now has a glow! As you can see from the photos, the hyperpigmentation has diminished and her skin really looks great."  
- EL

## HYPERPIGMENTATION (MELASMA)

"I wanted to test the NeoGenesis products with no treatment methods.

I have been diagnosed with Melasma and WOW the difference between the first picture is amazing plus the volume in my cheeks and reduced scarring around my lips from constant cold sores all my life.

Honestly, I wish I had these products in my 20's." –  
LS

### NEOGENESIS PRODUCTS USED:

Cleanser, Recovery, Moisturizing Mist, Eye Serum, Barrier Renewal Cream, Intensive Moisturizer

## HYPERPIGMENTATION + AGING SKIN + ROSACEA

“This client booked an appointment and wanted to address her redness (Rosacea), enlarged pores, some age spots (Hyperpigmentation), as well as, fine lines and wrinkles.

Once started on the NeoGenesis products, her skin started to improve, even in the very dry winter. The redness calmed down, pore size improved, and her hyperpigmentation decreased.

She likes the way the skin care products make her skin feel and commented on how well her make up goes on with NeoGenesis products. When she does her skincare routine, she is amazed that the redness is improved.”

– Mary Smith – M&M Studio

### NEOGENESIS PRODUCTS USED:

Cleanser, Moisturizing Mist, Recovery, Booster, Eye Serum, Intensive Moisturizer, Barrier Renewal Cream

## HYPERPIGMENTATION

“This client had lots of pigment from sun damage over the years.

In 5 months, we are seeing an incredibly good improvement in the skin. The tone is so much more even and the skin glows with health. It has a radiance to it now.

She is thrilled. She said she gets compliments on skin every single day.”

– Pamela Vendetti, Pamela V Skincare

## AGING SKIN + HYPERPIGMENTATION

“My client has suffered a lot of skin damage from spending years in the sun. She started treatments regularly that including microneedling, facials and using NeoGenesis products for her in-home routine.

During the last 7 months, we have seen improvement in the health, strength and density of her skin, decreased pore size, and of course, we are seeing the lines and wrinkles softening. Overall, we are seeing more vibrant and healthier looking skin.

Seeing such an improvement with the products and an increase in the healing from the microneedling. Her skin was having a hard time healing previously, but it is much quicker now.”

– Estell Myers, Naturally Well Reno
