

EYE SERUM

BRIGHTEN + TIGHTEN

10% S²RM®

NeoGenesis Eye Serum addresses aging skin, puffiness, and dark circles around the eyes by combining S²RM® technology with peptides and hydration for a more youthful appearance.

SIZES: 5mL, 15mL

(size offerings may vary)

PRODUCT BENEFITS

- Formulated for the delicate skin around the eyes
- Improves the appearance of fine lines, wrinkles, and crepey skin
- Lightly hydrates the skin around the eyes
- Helps minimize dark circles and puffiness
- Oncology friendly

DIRECTIONS

Gently apply around the eyes using the ring finger. Use daily, AM and/or PM.

For best results, use after cleansing and application of NeoGenesis serums.

Keep out of eyes. For external use only.
